Since the order of Govt. was passed. Taking into consideration the contention of Ramyacha that the temple was originally consecrated according to Sankha Sara (Madhva) and that neither a Srivaishnava nor an Aparnika Archak was indispensable, it is not unlikely that his intention is to keep on the Madhva Archak as long as possible. This would be virtually giving the manager the right to change the form of worship and appoint his own Archak.

has not said anything about the suitability of the proposed arrangement. It may be noted however that a former Dy Comr (Mr. M. By the arrangement now proposed is considered unsuitable the local officer may be desired to appoint some other qualified person. It may be noted that it is not easy to obtain Vaishnava Archaks particularly when the remuneration is not very tempting — the pay proposed in this case is only Rs 24 per annum. There appears to be no harm however in registering the minor (now nearly 8 years old) as the Baravandar.

Sir,

With reference to your Official Memorandum No.2726/Muz: 377-09-6 dated the 13th May 1912 forwarding for report petition from one Naranachar of Holavanahelli, Koratagere Sub-Taluk, praying that the Archak's post of the Sri Ramadevaru Temple at the place may be registered in the name of his minor Son etc, I have the honor to state as follows:-

1. The circumstances that led to the dismissal of the petitioner are given in the correspondence ending with Government Order No.1615-17/Mis: F.9-94 dated the 5th December 1903.

2. In connection with carrying out the directions given in that Government Order the petitioner presented a Memorial to His Highness in 1909, which formed the subject of a report No.147 dated the 20th October 1911 from my predecessor and on which Government passed orders in Government Order No. 1309-Muz:F. 377-09-11 dated the 2nd December 1911 concurring with the views expressed by the Deputy Commissioner.

3. The Deputy Commissioner's decession was communicated to the petitioner by endorsement a copy of which is attached to the petition now under report.

4. The present petition apparently asks for a reconsideration

reconsideration of the decision arrived at in December 1911, but since no new arguments are urged, I see no reason to come to any different conclusion from that reached then.

5. The vernacular records and the petition under report are forwarded for reference with the request that the former may be kindly returned when done with.

In the last order of 5th Dec 1903 read above, the removal of Namachar from the Archak-ship of the Temple was ordered as he failed to work in due subordination to the Manager and the Dy. Commissioner was desired to choose a suitable successor from the family of the dismissed Archak and in default to choose another fit person to ~~work in~~ carry on the traditional form.

Namachar applied to the Dy. Commr that his minor son may be appointed to the office and that during his minority his brother-
